Collection items	D673-25 table · D673-00 bench · D673-60 server (retailer pages)
Maker	Ashley Furniture (retailer "Brand") · assembly sheet: "MILLENNIUM BY ASHLEY®", Ashley Furniture Industries, Inc. · Signature Design by Ashley logo (Home Living Furniture)
Assembly sheet	D673-01, 5 pages, dated "September, 2014"
Origin	Not printed on the assembly sheet or the product pages
UPC / GTIN	None published on Ashley.com or the retailer pages found
Materials	"Made of wood" · "Faux leather upholstery" · cushioned seat and back (Ashley.com). Foam content not published
Label on chair	Model Number and Serial Number, per the ashleyfurniture.parts lookup

Color names are each maker’s own: Ashley lists the cover only as brown faux leather, and a retailer calls the chair "two-tone". Match by sample, not by name. Hex and CMYK values are **approximations** sampled from the Ashley product photo (lighting and screens vary); confirm against the chair.

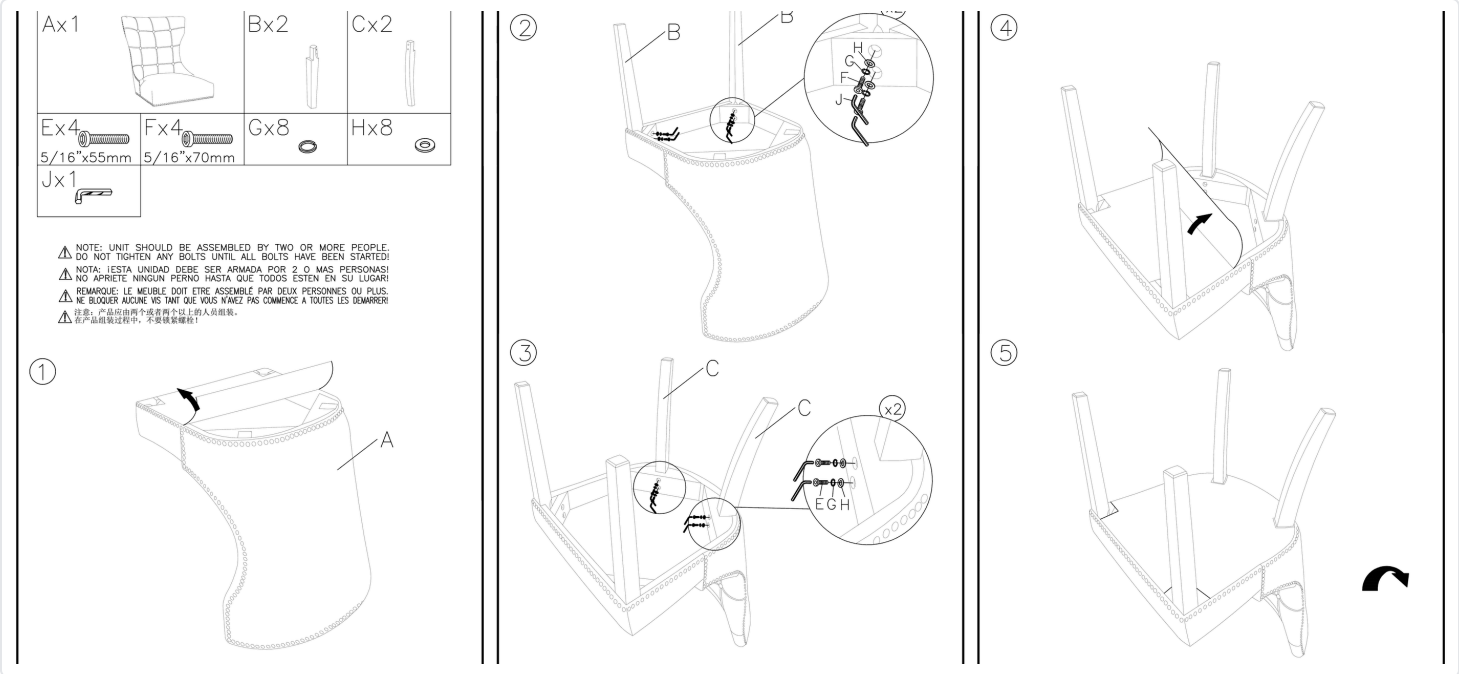

Element	Maker name	Universal name	Approx. hex	Approx. CMYK	Sampled
 Faux leather cover	Brown (Ashley)	Dark brown · chocolate brown	#504240	0 / 18 / 20 / 69	back #53453F · seat #4D3C39
 Legs	Not named	Black · near-black	#19191C	11 / 11 / 0 / 89	legs

Nailheads: "brass-tone" (Ashley.com); not sampled.

Wesling nailheads are described as "small-scale"; their exact size is not published, so compare the 7/16" heads before ordering. Stain retail prices vary by store and size and are not listed.

Parts list and steps 1-5, Ashley assembly sheet D673-01 (Millennium by Ashley, September 2014).

Code	Part	Qty	Size / spec	Color / finish	Functional substitute	Bolt Depot	Each
A	Chair body (seat and back)	1	22.00" x 26.50" x 37.50" assembled	Brown faux leather, brass-tone nailheads	–	–	–
B	Leg, straight	2	Size not stated	Black	–	–	–
C	Leg, curved	2	Size not stated	Black	–	–	–
E	Bolt	4	5/16" x 55 mm	Not stated	5/16"-18 x 2-1/4" socket cap, zinc	#15109	\$1.31
F	Bolt	4	5/16" x 70 mm	Not stated	5/16"-18 x 2-3/4" socket cap, zinc	#15111	\$1.61
G	Lock washer	8	5/16"	Not stated	5/16" split lock washer, zinc	#3025	\$0.05
H	Flat washer	8	5/16", OD not stated	Not stated	5/16" SAE flat washer	#2977	\$0.05
J	Allen wrench	1	Size not stated	–	–	–	–

The sheet gives bolt diameter and length but no thread pitch; 5/16"-18 is the common coarse thread, so test-fit one bolt before buying a set. A substitute socket cap screw takes a 1/4" hex key. Legs and the chair body: order through ashleyfurniture.parts with the model and serial number from the label under the seat, quoting the letter code above.
